A Major (One Octave)

The Open G is shown with a line through it on the Grid, because there is no G Natural in this key – A Major has a G# instead.

---

Scale

---

Arpeggio

---

The A Major Scale is made up of the notes A, B, C#, D, E, F#, and G#.

The patterns of the notes in this scale and arpeggio are very similar to G Major (One Octave), and D Major (One Octave). The only difference is that they all start on different strings.
